Fleydo English School • Teens • A2 • Reading • 30 min

## Lesson Objectives

- Read about two teenagers' weekends
- Use Past Simple (regular + irregular)
- Form negatives and questions
- Use past time expressions
- Write about your last weekend

## Part 1: Reading

Nadia, 14: On Saturday I woke up early and went to basketball practice. Our coach taught us new moves. In the afternoon, Priya came over. We watched a horror film — I screamed ten times! We made popcorn but burned it a bit.

On Sunday I slept until half past nine. I wrote an English essay and studied for Maths — it took three hours. My parents drove us to the shops. I bought trainers. We ate pizza for dinner. I didn't want the weekend to end!

Jake, 15: My Saturday was relaxed. I stayed in bed until eleven and scrolled through social media. Mum wasn't happy! I helped clean the kitchen, then played video games. We tried a new game but didn't like it — too complicated.

Sunday: Dad and I went for a bike ride along the canal. We stopped at a cafe and had hot chocolate. I took cool photos. I met Oliver at the park and we kicked a football around. I finished my Geography project, watched a documentary, and fell asleep on the sofa. Dad carried me to bed. Embarrassing!
