My Face

Learn the parts of your face in English!

Zara Draws a Face

My name is **Zara**. I am **seven** years old. Today, I draw my friend **Ben**.

First, I draw a big circle. This is Ben's **head**. It is round!

Then, I draw two **eyes**. Ben's eyes are **blue**. I use my blue pencil. His eyes are big and round.

I draw a **nose** in the middle. It is small. Just a little triangle shape!

Under the nose, I draw a **mouth**. Ben is smiling. So I draw a big, happy mouth. I can see his **teeth**! They are white.

I draw two **ears** on the sides. One ear on the left, one ear on the right.

Now, the **hair**! Ben has short, brown hair. I colour it with my brown pencil.

I draw two **eyebrows** above his eyes. They are brown, like his hair.

I draw **cheeks** too. I use my pink pencil. Now Ben looks happy and warm!

I look at my picture. It looks like Ben! The **chin** is at the bottom of the face. I draw it round.

"Look, Ben!" I say. "This is you!" Ben laughs. "I love it!" he says. "My forehead is very big in the picture!" We both laugh. Drawing faces is fun!
