Topic	Everyday — Home
Time	20 min
Skill	Vocabulary

Name: _____

New Words

Look at the pictures. Say the words!

kitchen

The room where you cook and make food.

bedroom

The room where you sleep at night.

bathroom

The room where you wash and brush your teeth.

living room

The big room where the family sits and watches TV.

garden

The area outside with grass, flowers, and trees.

door

You open it to go into a room or a house.

window

You look through it to see outside. It has glass.

stairs

Steps that go up and down between floors.

roof

The top part of a house. It keeps the rain out.

floor

The part of a room you walk on. Under your feet.
