## Language Focus

### Taking care of your teeth:

 **Brush** your teeth two times a day. |  **Rinse** your mouth with water. |  **Open** your mouth wide. | **Don't eat** too many sweets.

### At the dentist:

 Dentist: "Open your mouth, please." | Dentist: "Your teeth look great!" | You: "My tooth hurts."

## Leo Goes to the Dentist

My name is **Leo**. I am **seven** years old. Today, I go to the **dentist** for the first time. I am a little bit scared!

My mum says: "Don't worry, Leo. The dentist is nice." We drive to the **clinic**. The building is white and clean.

Inside, there is a waiting room. There are toys and books. I read a book about a dinosaur while I wait.

Then a lady says: "Leo? Come in, please!" There is a big **chair**. It goes up and down! I sit on it. The chair goes back. Now I am lying down.

The **dentist** comes in. His name is Dr. Ali. He smiles. "Hello, Leo! Can you **open** your **mouth** wide?"

I open my mouth. "Aaah!" Dr. Ali has a small **mirror**. He looks at each **tooth**. "Very good," he says. "Your **teeth** are clean!"

Then he says: "Now I am going to **brush** your teeth with a special **toothbrush**." The toothbrush goes round and round. Bzzz! It tickles!

Dr. Ali puts some **toothpaste** on. It tastes like strawberries! "Now **rinse** your mouth," he says. I drink water and spit it out. Splish!

"All done!" says Dr. Ali. "Your teeth are very **healthy**. You are a good brusher!" He gives me a sticker. It is a star!

"Can I come back?" I ask. Dr. Ali laughs. "In six months!" Going to the dentist is not scary at all!
